INTRODUCING

NELLIE JANE

for

Mrs. + Mrs. Howard

As an experienced designer, Nellie has witnessed the ever-changing trends in the industry. More recently, she noticed a remarkable resurgence of traditionalism and an undeniable yearning for maximalism. In response, she skillfully revived the iconic elements of the golden age of furnishings, such as scallops, box pleats, and gathered skirts, while ensuring a contemporary twist suitable for today's modern families. The result? A captivating collection that epitomizes livable luxury, seamlessly integrating fabrics that are not only sumptuous but also remarkably easy to clean. It is with great pleasure that we present this collection, as it brings forth the joyous return of the beloved ruffle. Experience the elegance and comfort of Nellie Jane's exceptional designs today.

CUSTOM FINISH OPTIONS

Overview: Finishes vary in material requirements, application time and degree of difficulty. The complexity of the finish determines the designated category. Each item has a predetermined level of distressing. The wood species used to construct an item and the level of distressing shall remain constant, regardless of the finish selected.

Note: Due to the inherent difficulties of working within confined spaces of cabinet interiors, an interior finish will include all finishing steps except secondary detailing such as spatter, cow-tailing, hand-padding and texturing.

Within this Finish selection there are three levels of finishes varying in application time and difficulty. The complexity of the finish is reflected in the terms Standard, Premium, and Artisan.

Specialty Finishes: In addition to the SELECTED and OPTIONAL finishes listed here, some items may be ordered in a SPECIALTY FINISH designed specifically for that item. These SPECIALTY FINISHES are available only on the items listed below their respective finish panels

Combination Finishes: Many items may be ordered in a two-tone combination finish. The suffix code for combination finishes is -00 followed by the desired finish codes and names along with the areas of application and a sketch if needed.

Upholstery: SOHO is the SELECTED finish for all Mr. & Mrs. Howard upholstered pieces unless otherwise noted in the price list. It is the selected finish for all fully upholstered frames and will be applied to exposed wood special orders unless an alternate custom finish is specified.

Color Match Program (available only on casegoods): Add your favorite paint color to our furniture with Color Match. With thousands of colors to choose from, it has never been easier to incorporate your unique style.

The suffix code for a Color Match item is -CM. Color Match items are priced at the Premium level. To Color Match an item, simply provide us with the Paint Company, Paint Name and Number, and attach a finish chip to your purchase order.

STRIPING

Many items lend themselves to hand-striping applications which can enhance the design and customize the piece to one's individual taste. Striping patterns are predetermined by the factory. Special striping pattern requests may be submitted for approval and may require a sketch and additional charges if deemed necessary.

STANDARD FINISHES

Cafe Noir: C8

The color of rich, dark Columbian coffee, Cafe Noir is a beautifully sleek black/brown finish with a high sheen.

Cashmere: C7

Like a treasured cashmere scarf, the warmth and elegance of this high-sheen dark walnut finish adds a touch of class and refinement to any item.

Driftwood: 31

Earth Grey: N6

Casual light grey hues with a dry antique vintage character.

Ebony: 44

STANDARD FINISHES

Walnut: 65

A sophisticated satin finished walnut brown with russet undertones enhancing the natural beauty of wood.

Washed Canvas: J3

A multi-step finish designed for the open grain of ash. This finish has a white filler intended to hang up in the grain, sealed, dry-brushed, distressed, and finished with three coats of lacquer. Available on Ash case goods only.

Sandstone: P6

A casual lighter hue, whitewashed canvas effect. The depth of the finish is subtle and crafted with character.

Sea Glass: F6

A unique striae finish generated by a hand-brushing technique that emulates a sea glass like finish. Creamy white texture over pale iridescent, seafoam green-cast undertones. Overall a rich textured creamy finish.

UPHOLSTERY SEAT CUSHIONS

MH LUX DOWN (Standard) - is an Ultra-cell poly core wrapped in a luxurious high loft fiber/down jacket consisting of 50% conjugated fiber mixed with a 50% feather blend of 10% down, 90% feathers. All components meet California Flame-Retardant specifications.

MH SPRING DOWN is individually encapsulated coil springs attached to each other by four clips on top and bottom of each coil placed inside a Bio-Comfort foam box, then wrapped with a thick blanket of polyester in a down proof tick that has been sewn with channels to hold a 15% down 85% feather filling.

MH DOWN is designed to provide plushness combined with support. This is accomplished by mixing a premium fiber with a 10% down and 90% small feathers. The ticking used is 100% cotton down proof which is sewn with multi diamonds to ensure the proper amount of filling in each area.
