INTRODUCING

# NELLIE JANE

for

*Mr. & Mrs. Howard*

As an experienced designer, Nellie has witnessed the ever-changing trends in the industry. More recently, she noticed a remarkable resurgence of traditionalism and an undeniable yearning for maximalism. In response, she skillfully revived the iconic elements of the golden age of furnishings, such as scallops, box pleats, and gathered skirts, while ensuring a contemporary twist suitable for today's modern families. The result? A captivating collection that epitomizes livable luxury, seamlessly integrating fabrics that are not only sumptuous but also remarkably easy to clean. It is with great pleasure that we present this collection, as it brings forth the joyous return of the beloved ruffle. Experience the elegance and comfort of Nellie Jane's exceptional designs today.
